

**Hostesses with the Mostesses:
Jan and Cheryl hard at work!!!**

We had been warned, but 16 of us we went anyway!! And, truth be known, we all had a good time. Jan and Cheryl made sure of that ... no matter how tough the golf course was!! Everything was right there, no driving was really needed After we finally got to our destination. The first day we played in the afternoon so it WAS a little warm, but the Lodge provided bottled water and ice carriers on every cart. The lady at the lodge was extra nice to us. She said she was just so happy to see some women playing golf there. Most of the time it is just men, men, men! In the evening some swam, some played cards, most all ate and played the games that Jan and Cheryl provided, which included unwrapping prizes from a saran ball and Bingo!!

Let the Games Begin!

TEAM GAME - Best 2-day scores. These Teams did not play together. They became a team through a random draw!

1st Place went to the team of: Pat Totten, Lanie Campbell, Nadine Roberts and Jan Schraeder - winning score – 186

2nd Place was won by the team of: Jennifer Fry, Cindy Renard, Cheryl Greiving and Jan Yaeger – Score – 197

The other two teams tied for 3rd with 199's!

Let the fun begin

Unwrap the saran ball (with oven mitts on) and get the prizes!!!

Lots of fun prizes were wrapped up in the saran ball and ALL you had to do was unwrap it WITH the mitts on before the next person threw a pair with the dice!! Pat did the final unwrap and got the BIG prize!! Truth be known, I'll bet Cheryl and Jan had as much fun wrapping up the ball as everyone else did unwrapping it!!

Then we played BINGO

After several games of bingo and several winners ... we played BLACKOUT for the big winner. Look at the smile on Lanie's face and you'll know who won the blackout!!!

Just some random pic's!

Sorry, Pat! The devil made me do it!
