

ALL ABOARD FOR SAND CREEK STATION

In spite of the cart path only restriction, the wet grounds and recent aeration, 19 ladies had a pretty good time!

Cheryl and Jeanne had a "TRAIN GAME" planned, which proved to be a bit challenging. Three teams came in winners while three other teams lost their balls along the way so were knocked out of the "train game" competition!

The Coal Car Team (Vicki, Melissa, Barb) arrived back at the station with the lowest score of 105

The Dining Car Team (Leta, Lanie, Amy) was second with 106

The Mail Car Team (Tammy, Becke, Lana, Peggy) was 3rd with a 115

I think there's a pretty good story that goes with this guy.....
